The Christian community described in Acts understood and practiced total stewardship. St. Paul reports that the believers did not claim anything as their own, but held everything in common, and distributed to each whatever was needed.

BIBLES AND CELL PHONES

I wonder what would happen if we treated our **Bibles** like we treat our cell phones?

What if we carried it around in our purses or pockets?

What if we checked it several times throughout the day?

What if we went back home to get it, if we forgot it?

What if we used it to receive messages?

What if we treated it like we couldn't live without it?

What if we gave it to kids as gifts?

What if we used it when we traveled?

What if we used it in case of emergency?

What if we talked about it to our friends and family?

Makes you stop and think,
"Where are my priorities?"
