**DID YOU KNOW?**

**From the Office of Child and Youth Protection  
Tips for Summer Camp Safety**

Summer is almost here. School is almost out, and a whole host of new opportunities for recreation and relaxation await. Maybe you are sending your children to a music or sports camp. Whatever the situation, it is important to re-

member that parents still have the responsibility of controlling the access that new people will have to their children. If your children are attending a summer camp, insist that every counselor or anyone else who might have access to your children has undergone an application process that includes a criminal background check and reference checks. For particular help you may call Barbara Elordi, Victim Assistance Coordinator, Office of Child and Youth Protection for The Archdiocese of San Francisco at 415.614.5504.
